

Make-up Policy

- Skaters enrolled in the 8-week Full Semester program are eligible to make up one class per semester.
- To schedule a make-up, a class must first be missed.
- On the day you plan to miss a class, please request a make-up pass from the cashier to give to your coach (no need to email the Skating Director).
- The cashier will verify the missed class with the Skating Director using the provided class date.
- If no class was missed and you attempt to attend a make-up session, you will be charged for an additional class. The card used to purchase the initial semester will be automatically charged.
